

(Announcements Continued)

At the meeting on January 30th, we will be having a *Club Assembly*. At this meeting members will have the opportunity to volunteer to serve on one or more committees. It is a way to get involved.

VOCATIONAL TALK

Paul Kelley was born in Scottsbluff, Nebraska. He emphasized that he is married to Bonnie, who has a Masters Degree in Nursing and is a certified nursing counselor. They have two sons. Paul was one of nine children in his family. He attended the University of Nebraska with a degree in Electrical Engineering.

He worked for Rockwell Collins during the early stages of the design of Global Positioning Systems, which are now ubiquitous. Subsequently he worked for Boeing on the integrated display system for the Boeing 747. He has also worked for Litton Industries on inertial navigation systems. In 2004 he earned a Masters Degree in Business Administration. In 2005 he went to Biloxi, Mississippi to help after hurricane Katrina. Paul also served in the Navy for four years. The Kelley family moved to Longmont to be closer to his parents. With a resume like his, what do you suppose he is doing now? He is in the sign business. His company is Longmont Signs. Paul shared his philosophy with us. That is: "Work on something positive and good things will happen."

PROGRAM

The program was presented by **Rick Martin** who is the proud owner of a 49 foot Trintella ketch named the "Alegria". (more accurately as Rick puts it, the bank owns, he just enjoys using it) He and his family, wife Tanya, daughter Olya, age 10 and Lara, age 2, set sail in the sea in the Bahamas for 10 weeks last summer. Rick 's was truly and adventure of a lifetime, as he and his crew learned form experience sailing the Bahamas in all kinds of weather. The vacation was not all about cruising the beautiful clear waters and visiting quaint villages on the islands. Rick and family also they varnished the entire interior, painted the hull, rebuilt toilet pumps, stitched the bimini, and installed a second VHF. They learned to hoist sails, drop anchor, etc. Rick supplemented his talk with a home video about the adventure.
